

## DRIVE THRU DIFFERENCE

**Hi!** You don't know me, but I've just paid for your order. No gimmicks, it's just something I like to do to brighten someone's day. I support the South Jersey Dream Center and they're all about making a difference, and all about food. If this simple act of kindness made a difference in your day, please take a few minutes and let them know at [southjerseydreamcenter.org](http://southjerseydreamcenter.org). Enjoy!
